

RELIGION IN REEL LIFE

Enjoy this special set of DVD videos that mix dramatic stories, documentaries, interviews, symbols, metaphors and music soundtracks by Newsboys, Third Day, Casting Crowns, Barlow Girl, and other contemporary Christian artists.

These videos, produced in cutting-edge styles, present teens who face real-life needs and dilemmas that challenge them to apply their faith to the real world.

Each brief thought-provoking video will entertain, captivate your attention, and launch an engaging discussion with your friends about the ways in which religion can intersect with real life.

Each DVD also includes a 16-page booklet for your group leader, with discussion questions and Scripture references.

Ask your youth leader to learn more about the benefits of using *Veracity Video Vignettes* for your group.
