50 Quick Mystery Trips for Youth Groups

by Sam Halverson

Affect your youth with an activity that is interesting, instructive, and memorable. These books offer up to 100 “mystery destinations” near your church that can serve as backdrop illustrations for biblical lessons. A drive of just a few minutes can bring your youth group to settings such as

- A Bank Vault – to discuss God’s investment in us
- A Zoo – for a lesson on biblical analogies to animals
- A Water Treatment Plant – for a lesson on purification
- A Courtroom – for a lesson on the final judgment

These and many more road trip parables are supplemented by lesson plans, devotional outlines, discussion questions, and related Scripture clues for your youth group to guess their mystery destination.
