Here is the solution for your small membership Sunday School

Has it been difficult for you to pick Sunday school curriculum that is –
...challenging enough to hold the interest of your older children?
...without going over the heads of your younger children?

One Room Sunday School helps you teach the same lesson to all of your children while tailoring your methods to their different age levels.

One Room Sunday School is:

- **Comprehensive**
Lesson plans for a full quarter, or all the way up to a 4-year plan.
- **Flexible**
Teaching tips for customizing your presentation to different age students in the same room.
- **Loaded**
Fully equipped with a large assortment of teaching materials.

How to teach children of all ages in one class
