

WANT to ACT?

The Nashville International Airport will conduct a full scale disaster drill on the morning of Thursday June 8th that will begin at 8:30am, and end at approximately noon.

They need volunteers to play the roles of -

- ___ Disaster victims at a mock crash site
- ___ Disaster victims families inside the airport terminal

If you have not already been contacted with a request to participate in this drill as a Red Cross responder, you may instead want to volunteer for these special roles...portraying dead or injured victims, or their distraught relatives.

The Nashville International Airport Department of Public Safety is handling coordination of these role-playing volunteers.

If you wish to participate, please contact Lt. Mike Hasselbrink at (615) 275-1454.

For more information, including volunteer requirements and a schedule of the day's events on the volunteer registration form (with the airport's fax number for sending it in) click [HERE](#).

The airport's deadline for volunteer registration is Friday May 26th.

Thank you for your interest.
