

A BETTER DISCUSSION IS IN THE CARDS

Cards That Are Actually Discussion Starters for Your Youth Group

Cardversations

Sometimes it's hard to get your youth group to talk about serious issues like alcohol, sex, race, ethics, drugs, or other challenging topics. Likewise, getting teens to share their deepest thoughts on faith, personal ministry, and relationships (instead of simply saying what they think you want to hear), can be difficult.

Do your teens feel comfortable opening up in a formal classroom setting? Don't bet on it. They are more apt to find their comfort level around a campfire...or on a bus trip...or at a picnic table.

Get your teens talking with fun questions, icebreakers, topical discussion starters, thought-provoking images, and real-life scenarios they may face. Use *Cardversations*® in any youth activity or classroom.

Designed for teacher-led or student-led discussions, *Cardversations*® and *Cardversations*® 2 each include 104 discussion starter cards in two sets of colors (208 total cards in 4 colors). Included Leader's Guides offer discussion tips, Scriptures related to each topic, plus additional questions.
