

The New Definition of Biblical Scholarship

THE NEW INTERPRETER'S® DICTIONARY OF THE BIBLE

"This five-volume set is the new gold standard for Bible dictionaries and will be the first reference that students and pastors will go to in preparation for teaching and preaching."

—Lee Sparks, Managing Editor, *Rev! Magazine*

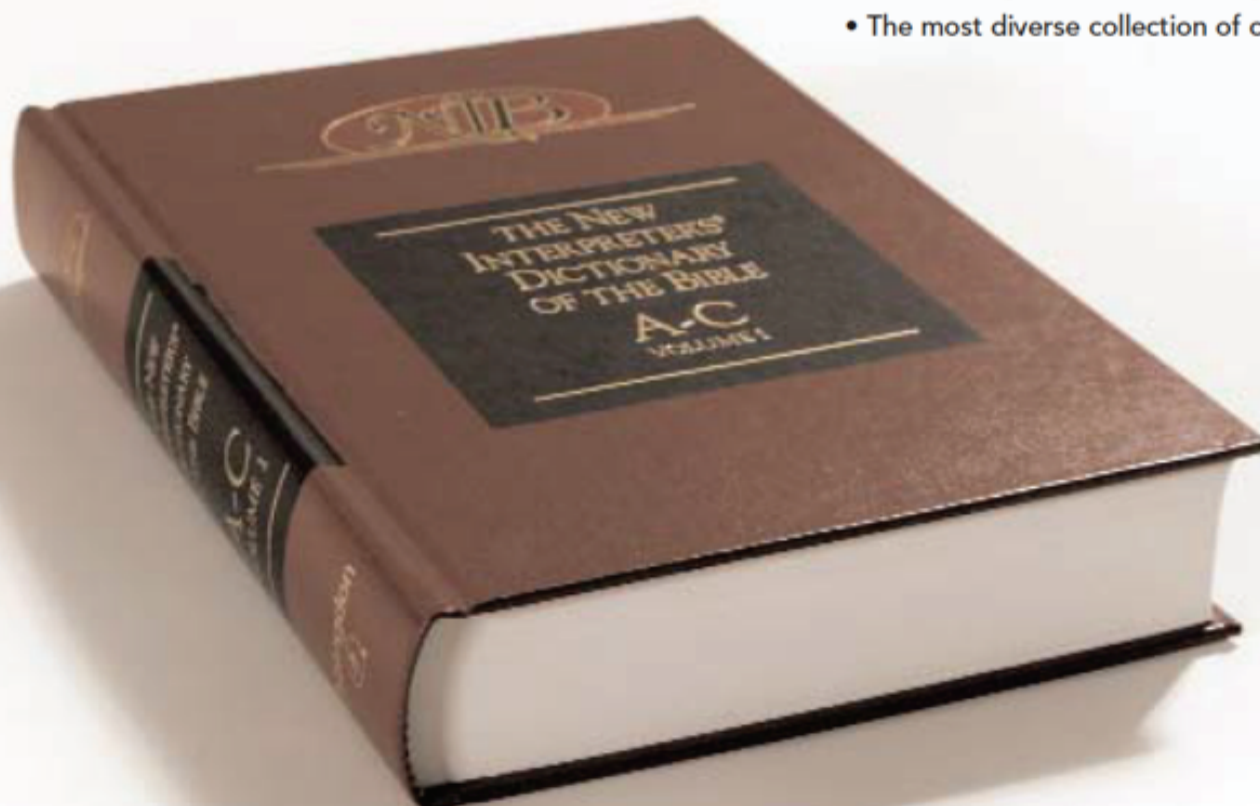

Compare the Facts:

- Contains 8,400 entries (the *Anchor Bible Dictionary* has 6,000).
- Includes scholars from 40 different countries for the most diverse authorship of any Bible reference work.
- The most up-to-date Bible dictionary available, bringing the best scholarship to the classroom and the congregation.
- With careful attention to archaeology and historical-critical scholarship, applies current interpretive methods and highlights theological meaning.
- Controversial topics are discussed from multiple viewpoints, with careful treatment of different perspectives to promote teaching and research.

Your Bible research can be more comprehensive, with:

- More articles on more topics
- The most up-to-date scholarship
- The most diverse collection of contributors
